Teacher of English

Teacher of Computer Science/Business Studies

Required for September 2019

St Margaret Ward Catholic Academy is a very popular, oversubscribed and thriving school serving the Catholic community of the North of Stoke on Trent and Staffordshire. The two vacancies are the result of staff promotion which is indicative of the strong commitment to professional development within the Academy and the ambition held by many of our colleagues.

It is expected that the successful candidates will be exemplary classroom practitioners who can join our already excellent English and Computing/Business Studies departments in bringing a passion and enthusiasm for both disciplines to all our students.

The successful candidate for the English position will teach English Language and English Literature to students across Key Stages 3 and 4. The ability to teach A Level English Literature would be desirable but is not essential.

The successful candidate for the Computer Science/Business Studies position will need to be competent in all areas of ICT/Computer Science across Key Stages 3 and 4 and, ideally, be able to teach Business Studies to Key Stage 4/5.

Applications from NQTs are welcomed, for whom there is excellent support.

We are committed to safeguarding and promoting the welfare of children. This post is subject to enhanced CRB disclosure.

Potential candidates are welcome to visit the school by appointment. Application forms and further details can be obtained by contacting Miss E Phillips (Principal's PA) on 01782 883000 ext. 035

Closing date: Thursday 13th June (noon)
