Wednesday, 21st April 2021

Dear Parent / Carer

Adjustment to the Year 10 Examinations 2021

I am writing to give you details of changes to our school calendar which will directly affect you and your child. The reason for this is due to the changes that we have had to make since the lockdown measures were put into place nationally from January of this year. We want to ensure that we are transparent and open with you and also ensure that we do the very best for your son / daughter as they approach the final year of their GCSE courses.

Below is a revised schedule for the examinations for all Year 10 students this year:

| Revised Dates | Event | Information |
|-----------------------------------|--|--|
| Monday 17 May to Friday 28 May | Year 10 examinations will take place during this two-week block. | These will be based in classrooms and will last the maximum of 1 hour in length. |

These mock exams are particularly important in helping both your child and the staff assess the extent of their learning during the previous year and what needs to be done to move forward with their education. We advise that if students would like help with revision material that they speak to their subject teachers who will be able to tell them what they will need to revise.

Exams will take place in classrooms and an exam timetable will be given out to students as well as a copy of the timetable going onto the school website.

As always, may I thank you for your continued support and if you have any queries, please do not hesitate to contact myself in the first instance.

Yours faithfully

Mr Bland
Head of Year 10

If you require this information in a different format, please contact the school.
