13th May 2021

Dear Parent/Carer

I hope you and your family are well.

I am writing regarding arrangements for students who will not be continuing their Post 16 education at St Margaret Ward Catholic Academy.

We have a statutory responsibility to continue educational opportunities for students until Friday 25th June. From Monday 7th June, students will be able to access work from their subjects on MS Teams. Students will not be expected to follow their normal school timetable when completing work, so have the flexibility to arrange their school day as they wish.

During this period, Post-16 providers will be contacting students to arrange taster sessions, and may also be providing transition work for students to complete which will support them to prepare for their course. I encourage you to continue to check your preferred Post-16 provider's website where information regarding transition will be published.

Below are the links to our most popular Post-16 providers:

- St. Joseph's College www.stjosephstrentvale.com
- Stoke-on-Trent Sixth Form College - www.stokesfc.ac.uk
- Stoke-on-Trent College – www.stokecoll.ac.uk
- Newcastle Under Lyme College – info.newcastle@nscg.ac.uk

If you have any queries about what is expected of your child during this period, please don't hesitate to get in touch with your child's form tutor who will offer you further guidance.

Yours faithfully

E Laney

Mrs E Laney
Assistant Principal

If you require this information in a different format, please contact the school.
