03A/Post16Work&Overview/EL/LB

24th May 2021

Dear Parent/Carer

I hope you and your family are well.

I am writing with further information regarding the work that students will be expected to complete from Monday 7th June – Friday 25th June, should they not be continuing their Post 16 education at St Margaret Ward Catholic Academy.

Every department has provided work that students should complete during this three week period. You can find an overview of this work attached to this letter. The work will also be set on Teams by teachers, where students can also find further guidance on the activities. As mentioned in previous correspondence, students are free to follow the structure of their normal school timetable, however they also have the flexibility to organise their work in a way which works best for them.

A reminder that some Post-16 providers will be contacting students to arrange taster sessions, and may be providing transition work for students to complete to prepare for their course. Students should be encouraged to engage with this work, so that they feel prepared for the next stage of their education.

Yours sincerely

If you have any queries, please don't hesitate to get in touch.

Yours faithfully

E Laney

Mrs E Laney
Assistant Principal

If you require this information in a different format, please contact the school.
