The Head of Centre will make decisions on which the centre are willing to fund. Where the centre does not support the candidates request for an EAR, then the candidate may pay and it will be processed by the Exams Officer. Any uplift in grade will see the fee refunded to the candidate. For A Level results that may affect a university place, then the priority service should be used and candidates will need to request this as within a few days preferably, non-priority cases should use the same deadlines as

GCSE results. For GCSE results staff should provide their suggested list within 2 weeks of results, candidates must do so before the end of the first week of school opening for the new academic year in September.

Preliminary appeals relating to Enquiries About Results will be made in writing to the awarding body within 30 days of receiving the outcome of the Review of Results.
