

CALLING ALL FORMER STUDENTS

If you're a former student of St Margaret Ward Catholic Academy, we want to hear from you!

Your experiences since leaving could help to motivate and inspire our current students to feel more confident in making decisions about their future. We'd love you to join our alumni network and stay connected with the school.

We've partnered with the national education charity **Future First**, who specialise in helping schools like ours to stay connected with their former students.

You can choose how and when you help – perhaps you can act as a career and education role model, provide work experience, become a mentor in person or online, or help with donations, fundraising or even apply to become a governor.

We have chosen to register with Future First because we know what an impact a former student can make on the lives of our current students. Many young people can feel overwhelmed when it comes to thinking about the future and to be able to meet somebody who has been to our school and who can talk about their career path can be hugely beneficial.

It doesn't matter when you left us, whether you're in further education or employment, whether you still live nearby or have moved further away, there are still ways you can help.

In order to sign up, just follow this link and fill in the online form – we promise it will only take a couple of minutes.
